

Piranha Floating Pump System

Model FP-0

For: Slurry, Waste, Storm Water Runoff, Municipal & Industrial Water Supply

Platform:

Length.....4 ft

Width..... 18 in

Height..... 24 in

Max. Pump Wt.....132 lbs.

Draft.....11 in

Pontoons: Ultra High Molecular Polyethylene, Modular/Foam Filled

PumpType & Size:

Dewatering 3/4 hp to 6.5 hp

Dewatering Pump Models:

P-75SS

P-100SS

PP-100

P-150

P-200

PP-250

P-300

P-450

PP-500

P-650

Notable Options:

Pump control

Extended power cable length

Floating Discharge Piping/Hose
